PARTNER FOOD SELECTION

To effectively serve our partner ministries, we have set up a large food selection area from which you can select the items needed for your nonprofit ministry. Please note: these products are NOT to be sold or bartered for any reason! Blessings of Hope is a nonprofit, Christian ministry, not open to the general public.

Our reclamation process sources products from many diverse suppliers for the sole purpose of empowering others to be the "Hands and Feet of Jesus". All product is free. You are simply paying a handling/service fee to help underwrite our operational costs.

To Partner With Us: 

HANDS OF HOPE

We are offering prepackaged food boxes (approximately 40 pounds). These boxes are beautifully packed with quality food and a Gospel of John booklet for a message of hope. This empowers you or your organization to serve the community in a tangible way.

We prepack the food boxes with whatever food items we have available. Each box usually has a nice assortment of fresh and shelf-stable foods inside. We do not customize boxes for you. A small handling fee per box helps us cover the associated costs.

PACK YOUR OWN BOXES

At Blessings of Hope we believe individuals have the power to make a huge impact in their community. This program is designed to empower you to do that by taking a personally packaged box of food to a family in need and blessing them, one family at a time.

Visit our facility, fill out a paper stating who you are giving the box to and why, and pay a small handling fee per box. We give you a new box to fill with food of your choice from our well-stocked food selection area. Personally deliver this box to a family in need to bless them with your gift of love.
